Voting in a California Primary Election

In June of 2010, California voters approved Proposition 14 (The Top Two Open Primary Act). The new law made many changes to how primaries are conducted in California. Previously, there were only two types of offices: partisan and nonpartisan. The new law created three types of offices: party-nominated, voter-nominated, and nonpartisan.

In a non-presidential primary election like this one, voters will only vote on voter-nominated and nonpartisan offices.

Voter-nominated Offices

- Includes contests for:
 - United States Senator
 - United States Representative
 - Statewide elective offices
 - State Board of Equalization
 - State Senator
 - Member of the State Assembly
 - The party preference of the candidate is listed on the ballot.
 - Voters may write in the name of a candidate whose name is not on the ballot.
 - The top two vote-getters will proceed to the General Election.
-

Nonpartisan Offices

- Includes contests for:
 - Judicial office
 - State Superintendent of Public Instruction
 - County offices
 - City offices
- The party preference of the candidate is not listed on the ballot.
- Voters may write in the name of a candidate whose name is not on the ballot.
- For nonpartisan judicial, state, and county offices, the top two vote-getters will proceed to the General Election. However, if a candidate receives more than 50% of the vote, that candidate is elected to office.
- For most city offices, candidates that receive the most votes are elected to office.

Voting in a California Primary Election (continued)

Ballots

All voters will receive a two-card Official Ballot with contests on each side of both cards. The Official Ballot will include:

Primary Election contests:

- Voter-nominated offices
- Nonpartisan offices

Measures:

- State propositions
 - Local ballot measures (only in certain cities)
-

Caution

Be aware of the following contests on your ballot:

Contest for Governor

- There are 27 candidates in this contest.
- The candidates are listed in two columns on the Official Ballot.
- You can only vote for one candidate for this contest.

Contest for United States Senator

- There are 32 candidates in this contest.
- The candidates are listed in two columns on the Official Ballot.
- You can only vote for one candidate for this contest.

- Track your ballot online

Get on the mail ballot list:

- Voters on the permanent mail ballot voter list will receive ballots by mail. Mail ballots will be delivered to the U.S. Post Office on Wednesday, May 9.

The image shows a sample mail ballot envelope. At the top, it features the logos for 'SBCOUNTY ELECTIONS' and 'SOUTH TEXAS REGIONAL'. Below the logos, there is a header section with text: 'To receive by mail, fill out and return this application by October 21, 2017. You will receive the application on the envelope of your current mail ballot, either - Your Mail Ballot will arrive soon' and 'You will receive the application on the envelope of your current mail ballot, either - Your Mail Ballot will arrive soon'. The envelope has several fields for personal information, including 'Name', 'Address', 'City', 'State', 'Zip', 'Phone', and 'Email'. At the bottom of the envelope, there is a large, empty oval shape, which is circled in red. Request a mail ballot:

- Apply online by visiting **SBCountyElections.com** and signing in to My Elections Gateway; or

CANDIDATE(S) FOR UNITED STATES REPRESENTATIVE DISTRICT 8

NAME: PAUL COOK

OCCUPATION: United States Representative

As a retired Marine Corps colonel who was wounded twice in combat, I'm committed to restoring the values and principles that made America the greatest nation on earth. In the past, you trusted me to represent you in Washington, and I've delivered on my promises to you. I ask for your vote once again.

I staunchly supported the recently passed tax reform bill that lowered income taxes on individuals and businesses. Americans are already feeling the positive effects: historically low unemployment rates, wage increases, and a dramatic upswing in the growth rate of our economy.

I've always stood for law and order, which is why I'm working to end "sanctuary" laws that protect criminals, and I'm proud to be the only candidate endorsed by San Bernardino County Sheriff John McMahon.

I've worked tirelessly on the House Armed Services Committee to rebuild our depleted military after the previous president slashed military budgets. This most recent budget restores our military's combat readiness, provides pay increases for our troops, and upgrades missile defense systems to protect against rogue nations like North Korea and Iran. While many in Congress forget the needs of their districts, I've fought to keep our rural health clinics funded, and I've continued my efforts to expand benefits and services for veterans. I also voted to fund the Children's Health Insurance Program for an additional ten years because it protects our most vulnerable population.

NAME: MARJORIE "MARGE" DOYLE

AGE: 61

OCCUPATION: Registered Nurse Executive

Marge Doyle is a native Californian, a registered nurse with nearly 4 decades as a leader in the healthcare industry and a social justice advocate who is passionate about protecting the people and the irreplaceable natural resources in her district. As an elected official to the Morongo Basin Healthcare District Marge worked across party lines and saved the only rural hospital in her home town from closing along, 600 associated jobs, and averted bankruptcy moving to financial stability with \$15 million in reserves. All of this was accomplished in three years. Marge is running for congress to represent the residents in the 8th District. She will work for practical and sustainable solutions to ensure everyone has access to healthcare, protect our precious and irreplaceable public lands from drilling, draining and mining because they are directly tied to jobs and a sustainable economy in our district; protecting Social Security and Medicare which every working person paid into; ensure that those who served – our veterans receive the benefits and health care they were promised and work for a viable immigration policy that does not destroy families and communities. Marge has served as president and board member of the Morongo Basin Health District. She is also the treasurer of the Greater Yucca Valley Kiwanis, a member of Metropolitan Community Church and lives in Joshua Tree, California.

NAME: TIM DONNELLY

AGE: 51

OCCUPATION: Former Assemblyman / Businessman

I'm Not a politician. I'm a Patriot, an ordinary citizen—who prior to ever holding elected office—stood up on the border as a Minuteman leader against an out-of-control Federal government, and demanded they do their job and secure the border.

Congress is full of do-nothing politicians who think Government is the solution to every problem. But you and I know that Government is the problem. They need to live under the same laws as the rest of us.

We deserve a representative who will fight to reform the VA until, at the very least, our veterans are treated better than illegal aliens—instead of just talking about it. There's no excuse for any representative, with our strong military heritage, to vote to use our military funds for sex-change surgeries.

We deserve much better! If elected, here's what I will work to do:

- 1) Build the Wall. Defund Sanctuary Cities. Enforce all immigration laws. No amnesty, period.
- 2) Reform the VA so that we treat our Veterans with the dignity and respect they deserve.
- 3) Defend our 2nd Amendment without apology.
- 4) Oppose all new Taxes (including using the bully pulpit to fight the unfair Gas Tax), Fees, Entitlements and Expansions of Government. Period.
- 5) End Common Core, Restore Local Control.
- 6) Repeal ObamaCare.
- 7) Oppose unconstitutional EPA, BLM and other Federal Land Grabs.

CANDIDATE(S) FOR UNITED STATES REPRESENTATIVE DISTRICT 31**NAME: PETE AGUILAR****AGE: 38****OCCUPATION: United States Representative**

Inland Empire families deserve a leader who will work across the aisle to deliver the results they deserve. As a fourth generation San Bernardino County resident, I understand the struggles of families throughout our community. As your current Representative in Congress, I'm working to fix these problems to improve the lives of families like yours and mine.

I am running for re-election because I know how to bring Democrats and Republicans together to confront issues facing our community. I've worked with members of both parties on legislation to fix our broken immigration system, make college affordable, put veterans back to work and give law enforcement the tools they need to keep us safe.

I led Democratic negotiations in the House of Representatives on legislation to create a pathway to citizenship for Dreamers currently facing deportation. My bipartisan legislation, the Uniting and Securing America (USA) Act makes sensible security improvements along the southern border and allows Dreamers to remain in the only country they've ever called home.

And I've been fighting back against President Trump's agenda to repeal the Affordable Care Act and strip health care from millions of people, cut taxes for wealthy corporations on the backs of American workers, students and seniors and his attacks against immigrant communities.

I am asking for your vote so we can continue expanding opportunities for Inland Empire families while standing up to President Trump's divisive policies and dangerous rhetoric. Visit www.peteaguilar.com to learn more. Thank you for your support.

NAME: KAISAR AHMED**AGE: 68****OCCUPATION: Retired Teacher**

Having worked as a schoolteacher for 28 years and an adjunct faculty member at 11 different colleges and universities for 32 years, I understand the value of education. I am also a parent of 4 children and a grandparent of 3. My two minor children, ages 16 and 10, attend public schools in the Inland Empire. Since my 10-year old son, Kiron, has autism, I am involved with entities that serve children with special needs.

I am not a politician. If elected to Congress, I would work as a public servant for residents of the Inland Empire, especially children, seniors, and veterans, on the following issues:

- Protect Medicare and Social Security: We must institute Medicare for all.
- Protect DACA Recipients: Enact a clean DACA bill so the recipients can stay here legally since this is the only county they know.
- Take Better Care of our Veterans.
- Make College more Affordable: Make tuition free at public colleges and universities.
- Give Tax Breaks to Small Businesses, since they create most of the jobs.

I obtained 2 college degrees, 4 teaching credentials, and other licenses. I have worked with people from all walks of life including parents, counselors, and community workers.

Respectfully, I am asking for your vote for United States Congress on 06/05/18 to enable me to serve children, seniors, and veterans. The constituents would have every right to vote me out if I fail to serve them faithfully. You may call me at 909-300-2920 or visit www.kaisarahmed.com.

Thank you for your vote.

NAME: SEAN FLYNN

AGE: 45

OCCUPATION: Small Business Owner / Economist / County Trustee

I'm running for Congress to create jobs, lower healthcare costs, improve the VA, and address crime and poverty in San Bernardino County. I'm a small business owner, economist, and the author of Economics for Dummies. I serve on the San Bernardino County Pension Board where I protect the retirement security of San Bernardino County residents. My parents, both military veterans, taught me the value of hard work, family, and freedom.

Washington is failing the American people. Partisan politics have paralyzed Congress. I'm running because productivity matters. We need to elect independently minded candidates who will represent their constituents – not special interests.

As your Congressman, I will advocate for proven, bipartisan solutions that focus on local issues. To that end, I've made three commitments:

- I will not take a full congressional salary. I'll only accept the average household income in my district. I'll also introduce legislation requiring all representatives to do the same. Washington politicians should know first hand how high taxes and excess regulations impact their constituents' take-home pay.
- I will self-impose term limits. Congress is full of career politicians whose main goal is to get reelected. My main goal is to deliver prosperity for you and your family.
- I will maintain a robust district schedule. Representatives need to return from Washington to hear from their constituents and understand their needs. I'll have an open door policy.

I've earned endorsements from public safety associations and community leaders including Congressman Paul Cook and Senator Mike Morrell. I humbly ask for your vote.

CANDIDATE(S) FOR UNITED STATES REPRESENTATIVE DISTRICT 35

NAME: NORMA J. TORRES

OCCUPATION: US Representative, District 35

It's been an honor serving you in Congress. I ask for your support so together we can continue our work to truly transform Washington.

During the recession, I took on the big banks, fought to protect homeowners from predatory lenders, and secured \$2 billion in federal aid to help homeowners keep their homes.

I've been a fierce advocate for seniors, persons with disabilities, our environment, gender-equality, veterans, DREAMers, public safety, and fought efforts to repeal affordable healthcare. After my local job creation listening tour, I authored legislation to expand job training for displaced workers, legislation to protect cybersecurity infrastructure at our ports, and legislation to expand funding for public infrastructure projects that was included in a major transportation bill signed into law.

I've been a strong advocate for local control of the Ontario International Airport and worked on bipartisan legislation to transfer ownership to local authorities so our businesses can reach international markets and spur economic development that'll create good paying jobs.

I'm proud of being an effective Member of Congress fighting to produce real results in an environment where extreme partisan politics often prevail.

I'll continue to be a strong voice for working families and fight cuts to Medicare and Social Security. I'm committed to working with law enforcement to keep dangerous assault weapons off our streets and out of the hands of dangerous individuals to protect children from being murdered in their classrooms. I'm asking for your vote so I can continue to be your trusted voice for the Inland Empire.

CANDIDATE(S) FOR UNITED STATES REPRESENTATIVE DISTRICT 39

NAME: SAM JAMMAL

AGE: 36

OCCUPATION: Civil Rights Attorney

My name is Sam Jammal and I am a local Democrat with experience in business and government. Growing up in our community, I saw how hard families like mine worked to achieve the American Dream - but this is now slipping away.

I am running for Congress because our government is not working for us. The Trump Administration has only made this worse. But this election isn't about the Trump Administration, it's about us.

We need affordable health care, good-paying jobs and a secure retirement. We need to stand up to the NRA because our children deserve safe schools. This requires a Congressman with local roots who knows our community and is committed to fight for us. We also need someone who is experienced and can get real results – no more undelivered promises.

I was raised in our community by working class, immigrant parents who taught me the values of faith and service. My youth was spent working at the Brea Mall, bussing tables in La Habra and cleaning suites at Angels Stadium. I put myself through law school, worked as a civil rights lawyer protecting immigrants, and served as a Chief of Staff in Congress and in the Obama Administration, where I helped small businesses compete. I moved back home three years ago to work for SolarCity and Tesla, where I focused on creating solar jobs in Southern California.

As your Congressman, I will fight for you and make government work for us. Thank you for your consideration.

NAME: PHIL LIBERATORE

OCCUPATION: Taxpayer Advocate / Businessowner

I strongly support President Trump and his America first agenda. I will fight to clean up Washington DC. I am a pro-taxpayer, pro-family, pro-life, pro-Second Amendment, pro-military, candidate. I believe strongly in restoring Judeo-Christian values! My wife and I have been married for over 35 years, and we've raised our children here in Southern California.

We believe America is at a true crossroads, yet some Republicans in Congress have joined Democrats in opposing the President. Outrageous!

I will fight to protect our borders and end illegal sanctuary cities. I oppose amnesty, and will ensure that ICE works hand-in-hand with local law enforcement to uphold federal immigration law.

I am pro-military. Nations like North Korea and Iran must respect our strength and ability to protect our national interests. When they don't, I will support swift, decisive action. I will promote a strong foreign policy that will ensure our security and sustained global leadership.

As a Constitutional conservative, I'll fight to preserve our First and Second Amendment rights!

Here in California, I'll join efforts to repeal job-killing regulations, rebuild roads and decaying infrastructure and overturn the disastrous gas tax hike!

We don't need another "establishment" candidate representing us in Congress.

I'm a CPA and taxpayer advocate. I've fought for families and businesses who were unfairly targeted by the IRS for years. More importantly though, I am one of you!

I believe in America and a renewed, revitalized California! I would be honored to have your support, as I run for Congress. www.PhilLiberatore.com.

Are you ready for real change? For twenty years I've been a watchdog for fiscal responsibility and transparency; twice serving as a Councilmember, I am taking the next step to run as your advocate for the 39th Congressional District. My decade's long commitment to public service includes 21 years military experience with continued service as a Civil Engineering Corps Lieutenant; as an Iraqi War Veteran, my unique skill and knowledge will position me well with foreign affairs, military readiness and veteran's issues.

I have also gained experience at the local, state and federal levels of government and been a leader in redevelopment reform, a pension reformer who helped pass Measure T taking away retirement benefits for city elected officials. I have established case law in government accountability by defending citizen's rights regarding ballot initiatives (Vargas vs. Balz). I continue to lead the fight for term limits of elected officials to prevent complacency and to promote independent thinking.

I will work diligently to earn your trust and represent the 39th District honorably. My family stands with me in this important decision, I am asking for your support to move our country forward. America has always been the land of opportunity. My parents believed this so greatly they risked their lives, escaping communist Romania so that their children might have freedom and opportunity. They taught us to love God, cherish freedom, and never be afraid to stand for what you believe in. My father always reminded me that America provides one with opportunity, what you do with that opportunity is up to you.

Taking that to heart I pursued a career in professional sports. Through hard work I was able to live and play professional soccer in Europe for a couple years. After an injury ended that career, I was honored to serve as a police officer with the City of Newport Beach. As a police officer I dedicated my life to the service of others. However, my motivation was always to do more. At 25 years of age, I became the youngest person ever elected to the La Mirada City Council. As a councilman, I sought to always put the residents first, even to the detriment of my own political career. I never cared to be a politician, I just wanted to serve those that elected me to do so.

I now humbly ask for the honor of serving you in our nation's capital. Congress needs new blood. Leaders that will represent The People and not special interests. Together we can hold Washington accountable.

I am a first generation Latina-American dedicated to public service. At 21, I started with the Probation Department. I was assigned to the gang suppression unit. At night, I attended law school. While working full time, and attending school, I started my family. I had two children during law school and while pregnant with my third, passed the Bar, on my first attempt.

I have dedicated myself to prosecuting child molesters, rapists, and career criminals. My tenure has exposed me to the worst of the worst. However, it wasn't until I decided to challenge a Judge, who abused his position, to have sex with his students in chambers, that I learned the extent of the vileness that plagues our community. My run for judge revealed that many elected officials only want to keep power and keep their friends in power, while doing nothing for their constituents.

The opposition I faced from the Orange County elite, my 30 years' experience, and a strong desire to be the Peoples' voice, led me to run for Congress, without support of either party or solicited endorsements.

I am no-nonsense, fair minded and tough on crime. I am a child of immigrants who taught me to work hard and be humble. I am a fighter for women, children and justice. I am beholden to no one, but you, the voters. The time has come for criminal justice reform, equality for women and justice for the oppressed. Send me to Washington to fight for California.

Leaders must lead with their actions as well as their words. It's a lesson I learned as a United States Navy Officer.

When I won the lottery, my duty was to help those who needed it most. My wife and I launched a foundation helping kids across the country attend college. Like me, many are the first in their family to earn a degree. But as we open doors for them, Washington is shutting them out.

I'm sick of politicians who've turned their back on our communities and sold out to special interests. I'll stand up for our families - and won't take corporate PAC money.

My priorities are better jobs and higher wages. I'll fight for equal pay for women and paid family leave. I will always protect a woman's right to choose and Planned Parenthood funding.

As the son of a Vietnam veteran who suffered health problems from Agent Orange and lost his insurance, I understand the healthcare challenges families face. I'll take on insurance companies and Big Pharma and fight for Medicare-for-All to ensure affordable care for everyone.

As a strong advocate for immigrant families and children, I will stand up to the Trump Administration and Republican attacks on immigrants and protect Dreamers brought to this country at a young age.

Washington's inaction to mass shootings is outrageous. I'll take on the NRA, require background checks and ban assault weapons.

As Californians, we are challenged more than ever by the economy, immigration, unemployment and increasing taxation. Our government has become an establishment of career politicians. It is time to change the status quo in Washington and elect new leadership. I believe, like our Founding Fathers, that serving in Congress is a civic duty, and I will always do what is right for America!

The establishment are politicians that are running for that next stepping stone to their political careers - no more! Last election, the people of America spoke up and their voices were heard – remove the establishment! We must act and elect a Representative of the people, not another Washington insider.

Conservative principles will restore the greatness of this nation; I promise to work tirelessly for you on issues such as border security, economic growth, national defense and fixing healthcare. Choose a conservative who holds your values and beliefs.

This election will not be determined by money, endorsements or name recognition, but rather the candidate who embodies the will of the people. I believe that I am that person. The only endorsement that counts is yours. Together we need to bring conservatism back to California.

I've spent my life overcoming long odds, and giving back to America for all it's given me.

I was brought to America as a nine-year-old orphan/refugee after the fall of Saigon in 1975. I'll always remember the American marine carrying me off the plane in San Francisco. I was lost and afraid, but I felt safe in his presence. As a teenager, I worked picking berries with other migrant families and dedicated all my time to studying. Through my efforts, I was accepted into Harvard, worked my way through college cleaning bathrooms, and went on to medical school and a residency at UCLA. For the last twenty-five years, I've lived in Orange County, raising my family here and caring for thousands of local children and their families as a pediatrician. I also volunteer to treat local kids who can't afford healthcare, and in my office, I teach and mentor medical students, residents, clinical pediatricians, and nurses. I'm also a two-time breast cancer survivor. Despite my rough start, I've been incredibly lucky in life. I never wanted to do anything professionally but give back to my community, and I never imagined myself as anything but a pediatrician. But with everything I see going on in the country, I feel I have to help in a bigger way. In Congress, I want to focus on fixing healthcare; improving workplaces for women; and giving our children the opportunities they need to reach their full potential.

Serving the people of my lifetime district as a county Supervisor, former councilman, and Mayor of Fullerton has been a privilege. I first ran for office as a small businessman with a vision to fix problems and help local families. Now more than ever our Nation needs solutions to wasteful spending and unaccountable bureaucrats. As a Washington outsider, I'll use common sense and local values to:

- **Keep Us Safe:** It is my highest priority to secure our Southern border, reform our broken immigration system, fight terrorism, and destroy ISIS.
- **Take Care of Our Veterans:** Demanding veterans receive the care and mental health services they have earned. The heroes who served our country deserve better than VA inefficiency and bureaucracy.
- **Boost Our Economy:** San Bernardino County Supervisor Curt Hagman and California State Assemblyman Phillip Chen endorse me because they know I'll fight government overreach to create good jobs and I'll cut wasteful spending to balance the budget.
- **Strengthen Our Military:** By modernizing, growing and investing in our troops.
- **Solve Homelessness:** I fought to fast track the first permanent year-round shelter and I'll continue to lead county efforts to fix the problem of homelessness.
- **Expand Infrastructure:** Having served as chairman of Metrolink and OCTA my priority is to expand and maintain highways, railways, and ports.
- **Fix Our Healthcare:** I'll mend our healthcare system to provide more choices for quality healthcare at an affordable cost.

CANDIDATE(S) FOR STATE SENATOR DISTRICT 16

NAME: SHANNON GROVE

OCCUPATION: Small Businesswoman

I appreciate this opportunity to share why I am running for State Senate to represent the people of Kern and Tulare Counties, and the high desert of San Bernardino County.

After serving in the US Army in Germany during the fall of the Berlin Wall, I returned to Bakersfield and started a business that helps people find jobs. Creating jobs has given me insight into laws and regulations that stifle job growth. Many of these regulations are duplicative, costly and unnecessarily burdensome for industries such as agriculture, healthcare, energy and construction.

This experience and lots of prayer led to my first political office; in 2010 I was elected to the California Assembly. During those six years, my vote was to use each tax dollar wisely and protect our freedom.

My philosophy is based on the Declaration of Independence that we are "...endowed by (our) Creator with certain unalienable Rights..." The California Legislature is often willing to take away rights guaranteed to us by our Constitution.

My priorities include energy and water infrastructure to keep our economy growing – ensuring that agriculture, dairies, and ranches produce quality food domestically. I oppose the Legislature's increased gas tax and car registration fees; instead, I'll insist that gas and fuel taxes are only spent on building and repairing roads.

Equally important are safe neighborhoods and schools with tough anti-drug / anti-crime policies. We know drugs and crime go hand in hand.

Please visit shannongrove.net. I'm Shannon Grove, I would be honored to have your vote.

CANDIDATE(S) FOR MEMBER OF THE STATE ASSEMBLY DISTRICT 33**NAME: JAY OBERNOLTE****AGE: 47****OCCUPATION: Assemblyman / Business Owner**

It has been my honor to serve as your State Assemblyman. Since first elected in 2014, I have authored 27 bills signed into law which have made state government more transparent, more efficient, rolled back regulations and saved taxpayers money. I have also helped stop hundreds of billions in tax increases. However, there is still much work to do.

Californians pay the highest sales, income and total gas taxes in the nation, as well as the highest business tax in the western United States and unaffordably high property taxes. Despite this, our infrastructure is crumbling, our schools are ranked near the bottom nationally, violent crime is on the rise, our state pension debt is increasing, and we have the highest poverty of any state in the country. Sacramento is clearly failing us on quality of life issues. However, I still believe we can restore the American dream in California if we elect leaders who will:

- Stop harmful tax increases
- Eliminate wasteful spending
- Prioritize spending on essential government services like schools, roads and water storage
- Keep violent criminals behind bars
- Defend our Constitutional rights

As your Assemblyman I have done those things, and I pledge to continue with your support. I've earned 100% ratings from the California Taxpayers Association, National Federation of Independent Business and California Police Chiefs Association. I have fought to improve the quality of life for all Californians, and I ask for your support to continue this fight. Visit www.ElectJay.com to learn more about me and my values.

NAME: SCOTT MARKOVICH**AGE: 56****OCCUPATION: Contractor / Board Member**

With more than 12 years of public service as a School Board Trustee for RIM of the World School District I have provided financial and administrative leadership in governing a multimillion dollar District budget that employs 180 teachers and staff who work for more than 3,200 students in grades K - 12. This coupled with more than 25 years of service as one of Lake Arrowhead's leading new home contractor-builders, I am in the unique position to understand how to build sustainable economic communities in both the private and public sector.

As your representative for the 33rd District I will work to:

- a) Defend the State and Federal Constitutions;
- b) Create legislation to reduce Homeowner Property Taxes to minimize the financial burden to Seniors and the Middle Class;
- c) Stimulate the construction of new homes by reducing contractor regulations and make permit fees less financially burdensome;
- d) Form a MultiCity Resource Governance Committee to protect our natural resources in tandem with a Regional Development Plan that stimulates sustainable business and job growth in the High Desert;
- e) Continue to provide leadership in the Field of Education;
- f) Create Educational and Vocational Pathways that lead to the establishment of a permanent 4 Year High Desert University and Medical Center;
- g) Continue to advocate for successful collective bargaining, legitimate worker rights and appropriate privileges in the workplace; and,
- h) Reduce the strangle hold of State regulations that stymie business and job growth in the 33rd District.

CANDIDATE(S) FOR MEMBER OF THE STATE ASSEMBLY DISTRICT 40

NAME: HENRY GOMEZ NICKEL

AGE: 39

OCCUPATION: Mayor Pro Tem / Small Businessman

As your next State Assembly Member, I promise to be the voice of working families, seniors, students and small business. I promise to remember where I come from, that I work for you and to remain open and transparent.

Sacramento politicians are out of touch. Our taxes are too high. Crime is destroying communities. The education system is in decline. Good paying jobs are leaving. Housing is unaffordable. More Californians are living in poverty.

Born and raised here, this district is our home. With your vote, we will fix California's growing problems. We must hold our representatives accountable. Decisions concerning our lives must be made by us, not Sacramento politicians.

We must repeal the \$52 billion gas tax increase and use our tax dollars for the intended purpose. We must invest in a prosperous future by modernizing our infrastructure.

We must invest in local law enforcement. We must stop the release of dangerous sex offenders into our communities by repealing Propositions 47 and 57.

Together we will reduce taxes, support law enforcement, restore our communities, invest in essential workforce skills, grow our economy, increase homeownership and return prosperity to working families. As a small business owner, former educator and local elected representative who listens to the voice of our community, I am committed to bringing opportunity back to our region and the Golden State. Together, we can make the California Dream a reality.

I humbly ask for your vote.

CANDIDATE(S) FOR MEMBER OF THE STATE ASSEMBLY DISTRICT 42

NAME: GARY M. JEANDRON
OCCUPATION: Retired Police Chief

AGE: 63

Gary Jeandron - Police Chief Retired

I'm the only candidate to have the endorsement of the California Republican Assembly because of my core conservative values. I'm a lifelong Republican and I'm running to bring those principles to the State Assembly.

My entire life has been about public service. For 34 years I served the public, working my way up from records clerk to Chief of Police. I was awarded the Medal of Courage, Police Officer of the Year, and was shot in the line of duty chasing a violent criminal. I served my Community for 10 years as an elected board member of the Palm Springs Unified School District.

I signed the No New Tax Pledge; I will vote against tax increases and will fight to repeal the gas tax.

As your State Assemblyman, I will work to keep violent criminals off the streets and I will vote to protect the Second Amendment.

Senator Jeff Stone supports me stating, "We need people like Gary Jeandron in the Assembly who will stand up to special interests, protect taxpayers and fight for working families. The people of the 42nd District deserve an Assemblyman who will put the interest of the people ahead of the big money special interest that seems to run Sacramento and Gary Jeandron will make us proud."

I ask for your vote.

NAME: ANDREW F. KOTYUK
OCCUPATION: Councilman / Small Businessman

U.S. Navy Veteran, successful small businessman, Andrew Kotyuk is a conservative family man with a background in finance and economics through Wharton School of Business. Andrew is running for Assembly to fight higher taxes, onerous regulations, and stop out of control spending.

He's done it before. As Mayor and Councilman, Andrew brought San Jacinto back from near bankruptcy after 4 councilmembers were indicted. He inherited a multi-million deficit and by reforming pensions and cutting waste, balanced the budget without raising taxes. San Jacinto is ranked in the top 9% of California cities for fiscal management with a fully funded budget reserve. He's had similar results as Chairman of Metrolink and the Riverside Transit Agency, saving millions of tax-payer dollars. Experienced in public-safety, water, transportation, pensions, labor unions and education, Kotyuk is known for fixing organizations. As Charter School President at San Jacinto Valley Academy, he drove graduations rates to 100%.

A life member of the NRA and VFW, American Legion and Howard Jarvis Taxpayers Association member, Andrew is committed to protecting our values, oppose any new taxes, and signed the Taxpayer Protection Pledge. California is broken: homelessness, crumbling infrastructure, bloated government pensions, and out of control taxes. Despite the highest revenues in the nation, we are the highest taxed in the nation. Our tax dollars are being used to fund illegal aliens, High-Speed Rail, and unnecessary government programs and regulations. It's time to reform our budget and cut the spending.

Join Supervisor Kevin Jeffries, Senator Joel Anderson, Assemblyman Randy Voepel, former Senate Republican Leader Dennis Hollingsworth, and the Redlands Tea Party Patriots, and make California golden again, Vote for Andrew Kotyuk.

NAME: CHAD MAYES

AGE: 40

OCCUPATION: Member of the State Assembly

I'm hopeful and optimistic that our best days are before us.

Standing together, we've risen above the negativity and shouting of today's politics and stayed true to the calling of a public servant and put people first. I'm proud that we've kept our word and sought to provide people with more freedom, and not less.

Too many in our community don't have a high school education and have limited opportunity to improve their lives. By listening and applying conservative principals, my anti-poverty bill is now law and provides economic incentives to encourage people on welfare to get their education – better prepared to achieve their dreams.

Those dreams will be realized as long as California continues to lead through innovation. We extended - and expanded - the sales and use tax credit, so California companies can now purchase state-of-the-art manufacturing equipment and create tens of thousands of good paying jobs.

Instead of just talking about reducing harmful regulations that kill jobs; we actually rolled back regulations. For that reason as well as my commitment to protect Proposition 13, the California Chamber of Commerce awarded me a perfect 100% rating.

I don't have all the answers, but I've kept my word. I promised to cut taxes, reduce regulations, save California jobs and put people first. As your voice in Sacramento, we've done just that. There's more work to do. I would be honored to have your continued trust and support.

CANDIDATE(S) FOR MEMBER OF THE STATE ASSEMBLY DISTRICT 47

NAME: ELOISE REYES

AGE: 62

OCCUPATION: Assemblymember / Businesswoman / Attorney

The Inland Empire is where I was born, raised, opened my law practice, raised my family, and volunteered. I love our community and I want to see it prosper. As your Assemblymember I am keeping my commitment to:

- Ensure that we have both clean air and good jobs and invest in our infrastructure
- Protect the benefits and rights our seniors deserve
- Stand up for women and end the culture of harassment
- Focus on ending homelessness among veterans
- Support and provide resources for victims of gun violence
- Expand access to education and workforce development
- Lift up communities that have been left behind

My focus is on this community. For nearly 30 years, I provided free legal services to help vulnerable residents defend themselves against corporations, worked with our youth in their leadership development, and served our seniors and veterans through many community groups. As your Assemblymember, I will continue to help Inland Empire families get ahead.

Since elected I have been elevated to leadership and appointed to several influential Committees including Appropriations, Judiciary, and Utilities and Energy. I serve as the Chair of the Select Committee on Environmental Quality and the Green Economy in the Inland Empire. For every leadership role given to me, I have ensured that our community benefits, bringing resources and opportunities to the region I represent.

I am proud to be endorsed by the California Democratic Party, teachers, labor, police, firefighters, nurses, seniors, and veterans. I hope to earn your vote.

Vote Eloise Reyes for Assembly. I continue to be on your side. www.ReyesForAssembly.com

CANDIDATE(S) FOR MEMBER OF THE STATE ASSEMBLY DISTRICT 55

NAME: SCOTT LEBDA

AGE: 50

OCCUPATION: Self Employed

My name is Scott Lebda. I am a business entrepreneur, past executive officer and business investor. My wife and I have raised our two sons in Yorba Linda over the past 23 years. As a husband, father and business owner I have been blessed with a terrific wife, family and business career. It was never my intention to enter political office in any capacity. However, seeing the challenges facing our district I have felt a calling to offer my efforts.

I believe I can offer the necessary combination of experience and knowledge we need to overcome these challenges. I earned my BA degree summa cum laude as an Air Force Reserve officer and my MBA at USC as a dean's scholar. In my business career I have provided consulting services to many of our states largest employers. My past leadership roles include serving as COO, CEO and President of major corporations. I founded my own manufacturing corporation here in Orange County. I am proud to have created hundreds of jobs and count this as my most satisfying professional accomplishment.

Personally, my family and I are close to many of the current issues we all face. We to are impacted by excessive taxes that have failed to create a better community. As a business owner I have seen the negative effects of government regulation. I promise to challenge the current status in Sacramento, drive economic opportunity for everyone and govern to the constitution that created this great state and nation.

NAME: PHILLIP CHEN

OCCUPATION: State Assemblyman / Small Business Owner

My efforts to reduce regulatory burden and attract better-paying jobs earned me a 100% rating from the Chamber of Commerce. The Howard Jarvis Taxpayers Association has given me an "A" rating for my work to protect Proposition 13 and oppose the \$52 billion gas and car tax.

The California Police Chiefs Association gave me a 100% rating because I helped ensure that first responders have the resources necessary to protect our families and homes. I've made communities safer by cracking down on sex traffickers, making it illegal for sex offenders to live within 35 miles of their victims, and ensuring prosecutors have the tools to convict rapists.

To make government more efficient, I pushed for audits of the DMV and the High-Speed Rail Authority. I demanded an audit of the UC Regents after they wanted to raise tuition while the UC President kept a \$174 million secret reserve, wasted tax dollars on travel and had a taxpayer funded condo.

I will fight to ensure our tax dollars are used to improve our infrastructure and fight gridlock - not on politicians' pet projects

The Howard Jarvis Taxpayers Association, the Peace Officers Research Association of California, County Supervisor Curt Hagman, Mayor Peter Rogers and the entire Chino Hills City Council support me. I would be honored if you joined them.

OCCUPATION: Assemblyman / Small Businessman

As your Assemblyman, I'm working hard to be the voice of families, workers, seniors, students and small businesses. I believe that actions speak louder than words. I've taken action for our community.

As the owner of a small, family-run business, I'm focused on growing our local economy and bringing good-paying jobs to our region.

I fought against the gas tax increase and \$375 billion in new taxes and saved over 200,000 high paying jobs.

We're tired of politicians sitting around while dangerous criminals are released into our neighborhoods. I'm the only candidate supported by law enforcement because I've fought to increase punishments for sex offenders, keep guns away from felons and keep violent criminals in jail, where they belong.

I've increased investment in vocational training to give our students the skills necessary to be successful in future high-paying careers.

We deserve to be represented by people we can trust, that's why I'm working on campaign finance reform to hold politicians accountable and stop them from financially benefiting from their campaigns.

I've brought customer service back to government through transparency and accessibility.

I humbly ask for your vote.

NAME: JANICE RUTHERFORD

AGE: 49

OCCUPATION: Member, Board of Supervisors District 2

As your County Supervisor for the last 8 years, I have a reputation for asking the tough questions needed to make smart, informed decisions for our community.

We have housed hundreds of homeless veterans, embraced jobs-friendly policies, enacted ethics reforms, developed rules to protect the environment and promote clean air & energy, and worked with the private sector to expand Ontario International Airport and attract more tourists & businesses to our region.

My goal is to continue to improve County government and make sure that we deliver core government services the best we possibly can. And where other organizations like charities are better suited to help, I want to make sure government gets out of their way.

We cannot forget about the struggles families and small businesses face every day in California. That's why I'm motivated to improve the quality of life for those who live, work and invest in San Bernardino County.

I hope you will join me in working to make our County as great as it can be. I would appreciate your vote.

If you have questions, please call me at (909) 294-6447.

NAME: GEORGEANN "GIGI" HANNA
OCCUPATION: San Bernardino City Clerk

AGE: 48

For six years I have taken note as San Bernardino endured bankruptcy, several managers, a terrorist attack, job losses, degradation of streets and longer police response times that have left us reeling and vulnerable.

As I recorded all of this, the plight of this city and its people touched my heart, pushing me to act. To step up and fulfill my oath of office and to make sure the people of San Bernardino have a voice in their future. It's time to take our city back – from darkness, from despair and from elements that seek to divide us.

We are "SB Strong," and the time to flex our muscles is now.

I support beautifying neighborhoods, fixing potholes, repairing streetlights and revitalizing the business districts to enhance our safety, attract investors, create jobs and give people reasons to stay and raise families. We must harness federal, state and county funds available for these goals; build coalitions across political, social and economic lines to find common ground and put ourselves on track for the long run.

We are in this together and will thrive and rebuild, together. I would be honored to lead, "We, the People." Read about my plans at gigi4SBmayor2018.com.

Four years ago, you elected me to help clean up the mess after San Bernardino declared bankruptcy. I wasn't a politician, and I'd never held elected office before being elected Mayor. I'm a third-generation San Bernardino resident, 35-year businessman, and CPA, who was horrified by the mismanagement of our city.

Since you first elected me as your Mayor:

- I've led San Bernardino out of bankruptcy
- We've passed multi-year balanced budgets with over a \$30 million general fund reserve
- San Bernardino has added over 30 police officers
- Road repair efforts have laid over a million pounds of asphalt in San Bernardino

I love San Bernardino: I was born here, I graduated from local schools, and I even earned my MBA from California State University San Bernardino. With Johnetta, my wife of 45 years, we raised our four children here in San Bernardino.

If you re-elect me as your Mayor, I will:

- Keep strengthening San Bernardino's public safety.
- Implement our plan to rebuild downtown San Bernardino
- Continue to attract high-paying jobs and businesses to San Bernardino

I've earned endorsements from our community leaders and I would be honored to have your vote to allow me to continue the work I've started and lead San Bernardino's recovery.

Now is not the time to change effective leadership: Our Mayor and City Council have made the tough decisions necessary to stabilize our city. San Bernardino has come a long way since entering and recently exiting bankruptcy. We have balanced our budget and now have a substantial reserve. Contracting our fire service has resulted in a nearly 33% improvement in response times saving lives and property. We continue to rebuild our police department including additional personnel and equipment. Employee morale is higher now than it has been in many years. We have hired an experienced, highly respected, city manager who is second to none. The development community is once again showing great interest in investing in our community. Though we still have our challenges, we are moving toward a sustainable, stable, and prosperous future. We cannot risk derailing the momentum we have worked so hard to achieve. I have made tough decisions necessary for us to get where we are today. I respectfully ask for your vote June 5th. With your vote we will continue our progress toward prosperity and success. Now is not the time to change effective leadership. Vote Fred Shorett, 4th Ward Council member.

Statement of Reasons for Recall

State Senator Josh Newman was the deciding vote in Sacramento to increase the gas tax and the car tax costing families an extra \$500 a year. He also increased the tax on diesel fuel, which will make our food more expensive. We can't afford Josh Newman.

Hidden in the tax bill, Newman supported billions of dollars for mass transit train projects in Northern California and the Sacramento Valley. Thanks to Newman, we pay the bill, but don't get the benefits.

Time and time again, Newman demonstrates his lack of concern about the daily struggles of our families – even the safety of our homes and children. He even voted for SB 54, a bill that allows dangerous felons out of jail and back into our communities to prey on our families.

Candidate Newman portrayed himself as a levelheaded statesman, motivated to make our communities better for all. State Senator Newman has become another out of touch Sacramento politician.

We already pay too much in taxes and we care too much about our families to let Sacramento politicians put them in danger. Josh Newman should be recalled immediately and replaced by a Senator that shares our values.

Answer to Statement of Reasons for Recall

Josh Newman is a veterans' advocate and successful businessman who was elected last November to represent us in the State Senate.

Now, the same out-of-town, hyper-partisan special interests who opposed Josh's election are attempting to stage a costly and unnecessary recall campaign. They are cynically misrepresenting Josh's support for sorely-needed local road repairs as a pretext for removing him from office.

But, as every driver in Southern California knows, the need to reduce traffic and fix our highways is urgent and real. That's why Josh authored a constitutional amendment to ensure that every new penny allocated for transportation will be used only for transportation.

Supporting this recall will:

- Waste millions of your tax dollars by requiring three counties to hold unneeded special elections.
- Disrespect the will of voters by removing a hard-working, conscientious Senator we elected less than six months ago.
- Inject even more politics and divisiveness into public life at a time when we desperately need leaders who will unite us while solving real problems.

"As your Senator, I will always vote what's best for my constituents and for this state. Please join local Democrats, Republicans, and Independents in opposing this recall effort." -Josh Newman

Office Holder's Statement

NAME: JOSH NEWMAN
OCCUPATION: State Senator

Sour grapes. That's what it's called when someone loses and then tries to change the rules. That happens every day in President Trump's Washington – and we can't let it happen in Chino Hills.

In 2016, we elected State Senator Josh Newman. As a United States Army veteran who served with honor, community leader and successful businessman, Josh has stood up for us in Sacramento. Now, they're trying to change the rules and remove him from office with a recall vote – wasting \$1 million in taxpayer money.

This recall is a partisan power grab started by a San Diego politician whose career was halted because of sexual misconduct. Extremists and special interests want to overturn the results of the 2016 election and replace our democratically elected State Senator. The recall was put on the ballot based on lies. That's why its backers were investigated for fraud. They said the recall would repeal the gas tax, but it does no such thing. It simply steals your vote from the 2016 election.

If the recall succeeds, they'll do it again – and again. In Nevada, two recalls are going on now and nine more are planned. That's millions of taxpayer dollars down the drain resulting in partisan warfare and political gridlock. Don't let that happen here.

State Senator Josh Newman is a bipartisan leader serving our community with integrity, fighting for veterans, increasing funding for local schools, reducing traffic and addressing rising housing costs.

Keep Senator Newman on the job. Vote No on the Recall. www.noontherecall.com

Statements of Candidates to Succeed Office Holder

NAME: JOSEPH CHO
OCCUPATION: Journalist / Non-Profit Founder

This recall is an abuse of the process. Recalls should be about holding corrupt politicians accountable for their actions when all other processes fail. This recall is about political opportunism, and that's wrong. I therefore decided to give you, the voter, another opportunity to reject this misguided recall by voting for me.

If elected, I will continue with the same progressive priorities of Josh Newman. I believe in: (1) Fully funding our public schools, (2) Affordable healthcare for all, (3) Repairing our aging infrastructure, (4) Solving the gun violence epidemic that is impacting our communities, (5) Stimulating innovation to reduce our carbon footprint and reduce our dependence on fossil fuels, (6) Not raiding local governments' funds.

While serving as a mayor and councilman, I had to balance the budget under the challenge of the state raiding the city's funds to solve the state's budget shortfalls. Faced with that experience, I would never put local governments in such a difficult situation.

Voters in the 29th Senate District are very savvy. They can see when outside forces are trying to manipulate them, and this is what this recall is all about. Voting no on the recall, and for Joseph Cho as the replacement candidate, will send a strong signal to the special interests who organized this ill conceived recall and think the voters in the district can be manipulated. It's time to bring this nonsense to an end.

Please join me in voting No on the recall, and Yes on Joseph Cho.

OCCUPATION: Small Business Owner

As a City Councilmember, Ling balanced every budget, built a \$17 million reserve, increased funding for law enforcement and never raised taxes. Ling cut her own council pay and benefits and used her own money to travel to Washington to develop solutions for the 57/60 freeway interchange congestion. In the Assembly, Ling:

- Earned a 100% rating from the California Taxpayers Association
- Helped kill \$29 billion in higher taxes
- Coauthored the "Affordable Gas for California Families Act" to save consumers up to 76 cents per gallon

By writing a new law pioneering the use of new technology, she helped save millions by providing essential government services at lower costs.

Ling fought to make government more transparent to expose the corruption that runs deep in Sacramento. She joined with law enforcement to create a new law to freeze the assets of criminal organizations involved in dealing drugs, human trafficking and child pornography. By working with Women Escaping a Violent Environment, Ling helped protect domestic violence victims by making it more difficult for abusers to stalk women.

In the Senate, she will:

- Continue her fight to keep taxes down
- Push to prosecute corrupt legislators to the full extent of the law
- Ensure our children attend the best schools possible
- Work to get health care and prescription drug costs under control

Ling's record has earned her support of Supervisor Curt Hagman, the California Republican Party and Chino Hills Vice Mayor Cynthia Moran. Please visit: www.lingforsenate.org

NAME: BRUCE WHITAKER
OCCUPATION: Councilmember, City of Fullerton

Our state government is too expansive, expensive and intrusive. I will vigorously fight new taxes, rate increases and costly, excessive regulations. California's future economic strength and competitiveness requires a leaner more effective and efficient state government. I pledge to defend all property owners by fighting special interests who seek to destroy protections provided by Proposition 13. This would result in dramatically increased property taxes. Real estate costs and rents are already too high. Every voter's right to vote on taxes must not be infringed.

Chief among challenges awaiting solutions at the state level is a massive unfunded pension liability with total pension debt nearing one trillion dollars on a Market Basis, or \$76,884 per every household in California. Persistent drought conditions are causing water shortages and scarcity. The State has failed to adequately plan and promote increased surface storage and groundwater supply sustainability, particularly for Southern California.

My background as a Controller/Chief Financial Manager, and as Medical Center Administrator provides expertise and solution oriented executive experience in business and in healthcare.

Elected 3 times to Fullerton City Council and served two terms as Mayor, I have also served as:

- Policy Advisor, Orange County Board of Supervisors
- Member, Orange County Oversight Board
- District Director, 72nd District California State Assembly office
- Current Director, Orange County Water District
- (Alt.) Commissioner, Santa Ana Watershed Project Authority

Let us begin to restore the Golden State, I would be honored to receive your vote.

MEASURE L INFORMATION

IMPARTIAL ANALYSIS OF MEASURE L

This Impartial Analysis of Measure L has been prepared by the Town Attorney pursuant to Section 9280 of the California Elections Code.

In 2017, the Yucca Valley Town Council adopted Ordinance 268 which prohibits all commercial marijuana operations in the Town. Measure L seeks voter approval to modify the Town's prohibition on commercial marijuana operations to allow indoor cultivation, manufacturing, distribution and testing of marijuana by operators with a state-issued license in certain locations in the Town ("Exempted Commercial Cannabis Activity").

If Measure L is approved, operations granted Exempted Commercial Cannabis Activity status will be exempt from the Town's prohibition on commercial marijuana operations and will be allowed in certain zones of the Town. Retail sales, outdoor cultivation and microbusinesses would remain prohibited.

To obtain Exempted Commercial Cannabis Activity status, applicants must undergo an application process to obtain the Town Clerk's approval. The Town Clerk must approve an application for Exempted Commercial Cannabis Activity status if a completed application form is submitted for a location that is within the Industrial Zoning District or in the Old Town Industrial/Commercial use district located within the Old Town Yucca Valley Specific Plan. Applications for manufacturing that involve volatile solvents must be at least 250 feet away from any established residential zoning district.

Any commercial marijuana operation granted Exempted Commercial Cannabis Activity status must comply with operating standards, including location limitations and compliance with all other Town laws. If any Exempted Commercial Cannabis Activity operator violates any applicable provisions of Measure L, the Town may enforce such violations as a public nuisance or under other municipal code provisions.

Measure L does not place limitations on the number of operations which may be granted Exempted Commercial Cannabis Activity status within the Town. Further, Measure L does not establish minimum distance requirements which set forth how far away operations granted Exempted Commercial Cannabis Activity status must be from each other, parks, private or public schools, religious institutions or private or public recreation and athletic facilities.

Measure L will result in a codification error within the municipal code because it seeks to adopt new cannabis-related provisions in the existing Chapter 9.54 which currently contains the Town's short term rental regulations. As a result, the Town's short term rental regulations must be renumbered if this Measure is approved.

Measure L was placed on the ballot by initiative petition that was signed by a legally sufficient number of registered voters of the Town of Yucca Valley.

s/ THOMAS D. JEX, Town Attorney, Town of Yucca Valley

ARGUMENT IN FAVOR OF MEASURE L

This Argument in Favor of Measure L was submitted pursuant to Section 9282 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

Vote YES on Measure L to bring good-paying jobs and economic development to the blighted industrial areas of our Town by regulating state-licensed marijuana production and wholesale distribution—but not retail sales.

Marijuana businesses currently operate across our Town—but illegally, without any protections for children, without environmental protections, and without providing **skilled jobs** or **improving our Town's economy**.

The **majority of Town voters already approved** Prop 64, **legalizing adult use marijuana in California** and setting forth a system of statewide production and distribution. Instead of working to implement that system to benefit our Town, our **do-nothing politicians** doubled down on their **failed marijuana business prohibition**, which has proven just as **ineffective and problematic as alcohol prohibition**.

Alarming signs of poverty and blight loom over our Town—junk-filled wastelands polluting our beautiful desert, boarded up storefronts, and run-down infrastructure. The lack of local economic opportunity and resources is obvious.

Sensible elected leaders in many nearby desert cities already succeeded in bringing **skilled employment** and **economic development** to their cities by locally regulating state-licensed marijuana businesses.

Here are just a few local safeguards Measure L provides:

- **Prohibits all forms of retail marijuana sales**—prohibits pot shops, prohibits dispensaries;
- **Requires marijuana businesses to remain hidden in the Town's industrial areas;**
- **Keeps marijuana out of public view, bans signage depicting or referencing marijuana;**
- **Tough protections for children, preventing access to anyone under 21, and REQUIRING ALL MARIJUANA BUSINESSES TO BE AT LEAST 600 FEET AWAY FROM SCHOOLS!!!**

Don't be fooled by political hysteria from a small—but loud—group of fanatical marijuana prohibitionists. We know our Town's current approach toward marijuana doesn't make sense.

End our broken marijuana business prohibition, and implement proven reforms so marijuana business will be **safe, controlled,** and **locally taxable.**

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE L

This Rebuttal to Argument in Favor of Measure L was submitted pursuant to Section 9285 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

Don't let empty promises and scare tactics influence you!

Vote "NO" on Measure L:

It will NOT bring economic development/good-paying jobs.

- There's NO economic development for our community. This Measure allows WHOLESALE commercial growing/manufacturing; thus, NO Sales Tax dollars for our Town. There's also NO cultivation tax or other potential. In fact, our Town will incur unfunded expenses from increased involvement!
- There's NO commitment to hire local labor. Completion of a costly certificate program is required.
- California lags far behind in regulating this industry, including verification for legitimate permits, tracking sales and testing -- 93% of pot is contaminated with pesticides, fungus, molds and e-coli.
- Measure L states manufacturing with volatile solvents will be 250 feet from residential areas and NO minimum distance from parks, schools and churches. NO state or local enforcement is in place to ensure safety from volatile/dangerous substances or distance from schools.
- Toxic water waste will be discharged into our water table, and large, unsightly power lines added to support their operations.

It will NOT deter the illegal black market.

- Instead, law enforcement workloads will increase as the black market grows even bigger to compete with local commercial wholesalers!
- As reported recently in the media, cities are seeing black market increases of 340%.

Again, Measure L has nothing to do with medical or recreational use. The Town's Ordinance regulates (not prohibits) marijuana use & residential cultivation according to California State Law.

Vote "NO" on Measure L.

ARGUMENT AGAINST MEASURE L

This Argument Against Measure L was submitted pursuant to Section 9282 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

VOTE "NO" ON MEASURE L. This initiative was pushed forward by a marijuana grower with financial backing who lives outside the Town of Yucca Valley.

Measure L is NOT good for our community:

This Measure is a "land use" issue allowing an "unlimited" number of growing and manufacturing facilities in Yucca Valley's industrial areas, many which are located near residential neighborhoods and schools.

This Measure has nothing to do with medical or recreational marijuana use.

The Town of Yucca Valley responded promptly to Proposition 64 and implemented an ordinance to regulate (not prohibit) recreational adult use of marijuana and the residential cultivation of marijuana plants.

No revenue will go to the Town because this measure does not include a cultivation tax. This Measure won't help pay for the sewer, won't create 100's of jobs, won't eliminate the "black market", won't increase residential property values, nor change the way a person currently buys marijuana.

This Measure will increase law enforcement workload, increase electrical consumption, and decrease our local water supply. It won't protect the children in our community. It will create adverse health & safety issues (contamination by pesticides/fertilizers/chemicals, increased risk of fire and offensive odors) and affect our "night sky". It will financially impact the Town due to increased levels of involvement and the potential for liability since marijuana operations are federally illegal.

THE COMMERCIAL GROWER IS THE ONLY ONE WHO WINS IF MEASURE L PASSES!

VOTE NO ON MEASURE L !

MEASURE M INFORMATION

IMPARTIAL ANALYSIS OF MEASURE M

This Impartial Analysis of Measure M has been prepared by the City Attorney pursuant to Section 9280 of the California Elections Code.

Measure M was placed on the June 5, 2018, Special Municipal Election ballot by unanimous vote of the City Council. If adopted, this measure will permanently extend the existing 8% Utility User Tax ("UUT").

The UUT is a general tax on utility (telephone, cellular, electricity, gas, sewer, water, and cable television) charges to Rialto businesses and residents. This measure preserves current exemptions for individuals 65 years of age or older and members of very low income households, as defined by California Health & Safety Code Section 50105.

Unless extended by this measure, the UUT will expire on June 30, 2018.

The UUT provides approximately \$14 million per year to support public services. Historically, the UUT has accounted for approximately 20% of the City's General Fund revenue and has been the City's largest single revenue source. Without the UUT, the City will experience reductions to public safety (e.g., police and fire), recreation, public works, and other core governmental services. The City may also delay capital improvement projects, including fire stations, road repairs, and park improvements. Public safety expenses represent approximately 65% of all City operating expenditures.

The people of the City of Rialto have the exclusive authority to extend the UUT under the California Constitution. Therefore, the Rialto City Council does not have the authority to extend this tax, without submitting the measure to the voters of the City of Rialto.

A **"Yes"** vote means you approve the permanent extension of the UUT. A **"No"** vote means you disapprove the permanent extension of the UUT. This ballot measure would take effect only if a majority of those voting cast a "Yes" vote for it at the June 5, 2018, election.

The above statement is an impartial analysis of Measure M. If you desire a copy of Measure M, please call the City Clerk at (909) 820-2519. A copy will be provided at no cost.

Dated: March 13, 2018

s/ Fred Galante, City Attorney

ARGUMENT IN FAVOR OF MEASURE M

This Argument in Favor of Measure M was submitted pursuant to Section 9282 of the California Elections Code. It is the opinion of the author(s), and has been printed exactly as submitted.

The City of Rialto exists to provide you with a safe, healthy and prosperous place to live, raise your family and work. Mindful of this, the City is committed to providing a level of services you need and have come to expect in our community.

The Utility Users Tax, originally approved by voters in 2003, has been an essential source of funding throughout that period, providing increased public safety, code enforcement, street maintenance, senior center operation and more. The UUT generates \$14 million per year - approximately 20 percent of total General Fund revenues.

Approval of Measure M maintains the tax at its current 8% rate on an ongoing basis. It is not an additional tax, and very low-income households and seniors over 65 qualify for full exemptions.

Extending the UUT is necessary to preserve vital City services. While general fund revenues have grown by \$18.4 million since 2013, the City's costs have grown by \$22.6 million over the same period. After the Great Recession, City expenditures on personnel, programs and services rose to make up in order to better serve the community.

Without a UUT extension, projected FY 2018 revenues would fall from \$77.6 million to \$63.3 million. The impact would be felt citywide, including:

- Loss of 36 full-time police positions, resulting in significant impact to emergency response times.
- Loss of 23 full-time positions in the Fire Department and the closure of one fire station, resulting in one less ambulance and fire engine on the streets.
- Loss of 11 full-time positions in Public Works, resulting in service reductions to street, sidewalks, weed and graffiti abatement, trash clean up, parks, facilities and fleet maintenance.
- In all, a loss of approximately 93 positions and service reductions.

Join community leaders and your neighbors from across the city. Vote YES on Measure M.
